You will receive your health insurance ID card in the mail and information on how to access your Summary Plan Description (SPD). This plan is an employer sponsored benefit; it cannot be purchased as an individual policy. If you are age 65 or older or if you or your dependents are eligible for Medicare and you are enrolled in Essential StaffCARE contact your Human Resource Department for the Medicare Part-D notice. To avoid a break in coverage you may make direct payments to PAI. After six consecutive weeks without a payroll deduction or direct premium payment, coverage will be terminated and COBRA information will be sent at that time.

Limited benefit medical plan: This benefit packet is intended as a brief summary of the Essential StaffCARE Limited Benefit Medical Plan. The group policy issued to your employer is the official document governing the provisions of this plan. State mandated benefits that apply to this plan will be included even if they are not described in this benefit packet.

Exclusions and Limitations*

Medical: No benefits will be paid for losses caused by mental or nervous disorders, alcoholism or substance abuse treatment (may vary by state); intentionally self-inflicted injuries, suicide or any attempt; declared or undeclared war; or serving on full-time active duty in the Armed Forces; covered person's commission of a felony; flying as a pilot or crew member of any aircraft; work-related injury or sickness. Applicable only to Accidental Death and Dismemberment: Bodily or mental infirmity; disease of any kind; or medical or surgical treatment for that infirmity or disease. This does not include bacterial infections resulting from an accidental cut or wound or accidental ingestion of a poisonous food substance.

No benefits will be paid for eye or hearing exams; hearing aids; normal health checkups other than those covered under the Wellness benefit; treatment in US government hospital or facility; dental care or treatment other than care of natural teeth and gums resulting from an accident; cosmetic surgery; services provided by an immediate family member.

Pre-existing conditions: No benefits will be paid for a pre-existing condition (one you had treatment for within the six month period ending the day before your enrollment date) for the first 12 months of your coverage (may vary by state). This does not apply to pregnancy nor to a newborn or adopted child covered from birth or adoption. The exclusion period may be reduced by most previous medical expense coverage ("creditable coverage"), if there is no more than a 62-day break in coverage. You should give us a copy of any certificates of creditable coverage. If you do not have a certificate, but have prior health coverage, we will help you obtain one from your prior plan. There are also other ways to demonstrate you have creditable coverage, so contact us if you need help. All questions about the pre-existing condition exclusion and creditable coverage should be directed to: Essential StaffCARE Unit Supervisor, Planned Administrators, Incorporated (PAI), P.O. Box 6702, Columbia, SC 29260, or call us at: (866) 798-0803.

Dental: The plan will pay only for procedures specified on the Schedule of Covered Procedures in the group policy. Many procedures covered under the plan have waiting periods and limitations on how often the plan will pay for them within a certain time frame.

Vision: No benefits will be paid for any materials, procedures or services provided under Workers' Compensation or similar law; non-prescription lenses, frames to hold such lenses, or non-prescription contact lenses; any materials, procedures or services provided by an immediate family member or provided by you; charges for any materials, procedures, and services to the extent that benefits are payable under any other valid and collectible insurance policy or service contract whether or not a claim is made for such benefits.

Term Life: No Life benefits will be payable for death caused by suicide or self-destruction, or any attempt at it within 24 months after the person's coverage effective date.

Short-Term Disability: No benefits are payable for attempted suicide or intentionally self-inflicted injury; voluntary taking of poison; voluntary inhalation of gas; voluntary taking of a drug or chemical unless physician prescribed; declared or undeclared war or act of war; your commission of a felony, your participation in a riot or illegal occupation; release of nuclear energy (may vary by state); operating, riding in, or descending from any non-commercial aircraft (including a hang glider); work-related injury or sickness. Short-Term Disability benefits are not available to persons who work in California, Hawaii, New Jersey, New York and Rhode Island.

*As limitations and exclusions may vary by state, please see your Summary Plan Description (SPD) for a detailed listing.
